

This was the 4th Christmas that we provided gifts to needy families in our community. This year we worked with St Luke’s Mission of Mercy. Thanks to the donors who so generously contributed to our annual Christmas Fund and with money from our treasury we were able to provide three families with gifts this Christmas. St Luke provided us with the names of the families and their needs. We spent over \$1500 for gifts and also donated \$300 for boots for the homeless. An additional \$300 was given to the Ladies of Charity for Christmas toys for kids.

Our heartfelt thanks to the following members who generously contributed to this year’s fund.
