

The Per Niente Magazine, a quarterly publication, (*January, April, July, October*) of stories, photos, and memories revolves around our Italian heritage. The magazine is designed as a place where all can share their experience of family, friends and neighborhood. We hope you will enjoy the articles and photos submitted by our subscribers. As such, though the once colorful streets of our youth, populated by Italian immigrants and their families have vanished and life styles have evolved, we cling to those memories. Our success is steeped in your reminiscence as many of us are the last generation that can relate to that ghost of a neighborhood we once knew. If you wish to submit your much welcomed material, please contact me and I will guide you.

Feel free to browse our website, www.perniente.org, to see prior issues and learn about the help we give to the needy of our community through our Christmas Fund.

The Per Niente Club is a 501 (c) (3) tax-exempt charity (EIN# 81-3679904.) Donors can deduct contributions they make according to IRS regulations
